

Nitram Financial Solutions named a Top Accounting Consultant by Fit Small Business

(New York City, November 6th, 2018) Nitram Financial Solutions has been named a [Top Accounting Consultant](#) by Fit Small Business. Fit Small Business, an online publication for small business owners, awards its Top Consultant award to those who have shown excellence in their field. The site carefully considers a consultant's services, credentials, and success before choosing the best.

Fit Small Business connects small business owners with its experts who conduct extensive research and tests of various products and services, and interview industry specialists to provide the best recommendations and solutions. They keep their focus on a variety of topics that are of interest to any small business owner, including accounting, sales, marketing, and human resources, and the content attracts more than two million visitors to their site per month.

Sherrell Martin is the founder and Chief Financial Solutions Officer of Nitram Financial Solutions, a financial services and business consulting practice based in Maryland, U.S. Their company uses cloud-based applications to show small businesses how they can leverage technology to increase their productivity and profitability. Martin is also an award-winning financial management consultant, accountant, speaker, and trainer.
